

Professor in Logistics / Supply Chain Management (M/F)
Head of Supply Chain Management and Decision Science Department
Vacancy starting in March 2021

ABOUT EM NORMANDIE

EM Normandie was established in 1871 as one of the first *Grandes Ecoles* and has since been considered as a reference among French business schools.

It holds international accreditations (EQUIS, AACSB) and its Master in Management (Grande Ecole Program) has been recently ranked 74th worldwide by the Financial Times.

Over 5 000 students and trainees attend its programs in one of its five campuses located in France (Le Havre, Caen, Paris), in the UK (Oxford) and in Ireland (Dublin).

EM Normandie has a portfolio of 16 programs, including 6 taught in English and 2 training institutes. Its mission is to educate tomorrow's managers, as responsible executives prepared to lead change in a cross-cultural environment.

EM Normandie promotes the intellectual contributions of its faculty (95 core faculty members) to guarantee success and recognition for students who have attended its educational programs.

POSITION

EM Normandie seeks a Professor of Logistics / SCM who will conduct the following missions:

- Represent the department both internally and externally,
- Manage the members of the department (meetings, participation in recruitment and integration of new members, teaching loads),
- Guarantee the quality of the department's courses,
- Contribute to the development of Executive Education,
- Take part in the internationalisation of the Faculty,
- Contribute to the impact of the research activity on pedagogy, courses and managerial practices.

REQUIREMENTS

- PhD in a business-related field with an orientation in Logistics / SCM
- Proven ability to teach and develop quality courses at different levels
- Proven ability to publish in peer-reviewed international journals (CNRS and FNEGE rankings)
- Fluency in French and in English
- Willingness to contribute to the school life and its development
- Prior experience in team management, good interpersonal skills
- Priority will be given to candidates with international experience

The expected status would be that of an Associate Professor or a Professor.

RECRUITMENT PROCESS

Please send your application (letter of motivation, description of your project for the Law, Finance & Controlling Department, full CV comprising a description of the courses taught so far, 2 to 3 published articles, research in progress as well as details of 3 referees), to:

Sandrine MAUGENDRE – Assistant to the Dean of Faculty

Email: smaugendre@em-normandie.fr - 20 Quai Frissard - 766087 Le Havre Cedex – France
